Hi Debra,

I just sent an email advising you that I am waiting for the corrections. I did not realize that you had sent them a few minutes ago. I will review them and let you know of the outcome.

Hi Edna,

As you requested, attached are the revised documents that contained references to cameras in the resident's rooms. All references to cameras in resident rooms have been stricken. Our cameras will be operational only in public common areas of the facility, as well as outside on our property.

Thank you for taking the time to review these documents this evening.
